

## What is the Sprouting Fund?

The WGA Sprouting Fund is available as scholarships to supplement 50% of the first year's dues (\$500) to a limited number of first-time members.

These scholarships are available, thanks to a generous gift from an anonymous donor, who adamantly believes in the power of women working together to help others.

## What is the intent of the Sprouting Fund?

The intent of the Sprouting Fund memberships is to instill interest in WGA and to encourage membership among younger women who might not be fully prepared to commit the entire dues the first year of their membership.

## Who Qualifies for a Scholarship?

To qualify a candidate must be 40 years of age or younger, agree to serve on a committee for one year and attend at least one WGA function per year. She commits to be a WGA member for a total of three years.

## Year One as a Sprouting Member

As a new Sprouting Member, the member pays partial dues in the amount of \$550 for the first year, with the balance of \$500 being paid from the Sprouting Fund. The \$500 goes directly to the Pooled Grant Fund to bolster those large grants, along with \$500 of the new Member's \$550. In the first year, the Sprouting Member votes on the pooled grants, but does not designate an individual grant, as the entire \$1,000 for the Sprouting Member is designated to the Pooled Grant Fund.

## Years Two and Three

The Sprouting Member pays full dues (\$1,050) per year for her second and third year commitment. The Sprouting Member is then able to designate individual gifts in years two and three as well as vote on the pooled grants.

## Questions or Interest
